Re: In-Person Council Meetings

Good Morning,

I would request that council pass a resolution setting a date to return to “In-Person” Council Meetings. This would be a benefit for both council members and the public in regards to planning and attendance. I would also like to ensure that staff have appropriate time to make sure that council chambers are up to APH standards and that all current COVID-19 protocols are followed for safety.

Thank you,

Dan Marchisella.
Mayor
City of Elliot Lake
