**Subject: Agreement of Purchase and sale of Lands Adjacent to Timber Road**

---

Staff are bringing to Council an Agreement of Purchase and Sale that had been delayed by staff for quite some time. There have been issues with surveys and delays with land registries hence the long turnaround time. Mr. Todd Grignon had requested and was approved in 2020 to purchase a municipal parcel of land adjacent to his property. These lands are rugged terrain and landlocked and do not include any lake shoreline whatsoever. He will use these lands for access to his property, but has limited to no development plans due to the topography.

Respectfully submitted,
