Subject: 2022 Memorial Naming

In March, Council approved two names for the 2022 memorial naming program. As per the policy, a standard 30-day public consultation period was held. In that time, no objections were brought forward. Therefore, staff are prepared to move forward with the following:

- Ceremonial renaming of Esten Drive North to “Fabris Drive”
- Renaming of the Spine Road cross country ski trail to “Réjean Cyr Cross Country Ski Trail”

Staff will proceed with purchasing new signage as per the policy and will schedule unveiling ceremonies when appropriate.

Respectfully submitted,

Steve Antunes
