**Re:** Notice of Motion

---

Good afternoon Ms. Bray,

Attached please find a Notice of Motion I would like to introduce at the September 26 Council Meeting.

My concern is that the subject of the costs involved in the Integrity Commissioners' investigations and in some cases subsequent court proceedings has become an issue in the upcoming Municipal Election and as a consequence, some incorrect and potentially misleading information has been disseminated to the public.

I feel that it is in the best interest of the voting public to have the complete and correct information so they can make an informed decision on the implications of these cases and their impact on the on the finances of the City going forward.

I trust this meets with your approval and I look forward to a fulsome debate on the issue.

Respectfully,

Ed Pearce

Councilor
