**Notice of Motion by Councillor Norman Mann**

Whereas the City of Elliot Lake purchased 151 Ontario Avenue, the former site of the Algo Centre Mall in April of 2019, and

Whereas there has been no significant movement and/or interest in any part of this property over the last term of Council, and

Whereas there is no current plan for a Recreation Hub, and

Whereas the cost of the purchase of the property should be reclaimed by the Municipality,

Therefore be it resolved that the property known as 151 Ontario Avenue be declared surplus to the needs of the Municipality and made available for immediate sale.

And I so move.
