Question categories:

More focus on movie, media. Enjoyed the Elliot Lake history - more would be good

Food and drink options:

Snacks at tables

Other:

I would recommend finding a way to reduce the wait time between categories (i.e., having a person who will mark at every other table/ electronic response/ etc) I would also recommend to time the questions and stick with the timing. This was fun and I hope it continues

Question categories:

The categories were a lot of fun and allowed for everyone at the table to participate.

Food and drink options:

I would like the option of being able to buy whole pizzas for the table at a better price. The drink options were good but I would like more beer options.

Other:

Very enjoyable night. The smaller venue allowed for a more intimate setting that wasn't overwhelming.

Everything was perfect. The time between rounds gave enough time to get a new drink and do some socializing. Only recommendation is not to allow smarty pints to return :)
