

Scope: To enter into a M.O.U. with the City of Elliot Lake to develop areas within Elliot Lake of focus on multi use shared trails.

Intention: To enhance and assist with maintenance of existing trails within city limits and in time create an inner city and perimeter trail connection system.

Intended areas of use are porridge lake loop, Municipal boat launch to spine beach, lookout tower to miners monument, spine beach loop and Esten to Perini.

The Elliot Lake XC Ski and Bike Club is seeking this M.O.U. with the intention of not only enhancing and maintaining these existing loops, but working with the city to create a city perimeter loop to interconnect these loops creating trail access throughout the entire City of Elliot Lake.

It is our intention to establish committees from within our membership to develop a strategy and schedule of maintenance, and safety plan in conjunction with the City for the trails defined herein.

It is of our request to enter into a 3 year agreement with the City of Elliot Lake for the Maintenance of the above noted trails.

The Elliot Lake XC Ski and Bike Club intends to fund their maintenance and safety program through membership, grant funding, and local business support.
