Subject: Age Friendly Advisory Committee Planning

At the February 13th regular meeting of Council a resolution was passed to amalgamate the previous youth and seniors into one age friendly advisory committee to aid in age friendly initiatives. The makeup of this committee as stated in the committee mandate is as follows:

"An Age Friendly Advisory Committee is hereby established and shall be composed of 13 members; 5 youth between the ages of 13 and 29 and 6 senior community members of the general public to be appointed for term of Council by resolution of Council, 2 members of Council, and one City staff member as recording secretary."

The youth portion of the committee mandate still needs to be fulfilled. The committee can discuss a youth recruitment approach for applicants to be submitted and approved by Council in order to have the full committee appointed by the next quarterly meeting.

Respectfully submitted,

Kristine Doyle
Deputy Clerk and Accessibility Coordinator
