Subject: Memorial Asset renaming – Public responses closed

Staff brought forward to council a resolution to have the the Spine Road Cross Country Trail renamed to the Bob Stirling Cross Country Ski and Bike Trail. As per the policy, after Council approval, there is a mandatory 30 day period for the public to offer feedback and objections. This period has passed with zero input having been received by staff.

Staff will be working with the Elliot Lake X C Ski and Bike Club and the Stirling Family to schedule an unveiling event later this summer.

Respectfully submitted,
