Subject: Land lease with D. Bouwmeester for billboard

The City has a collection of Billboards along highway 17 that serves as powerful tools for attracting tourism and interest in Elliot Lake. Two of these signs along this corridor are on private property and require a land lease with the property owners.

After a lapse in the last lease, the bylaw included in this evening's agenda renews the land lease with Mr. Bouwmeester for the use of his land in the Massey area.

The other land lease on the western part of highway 17 is due to expire in 2027.

Respectfully submitted,
