- 1.2 Costs incurred by way of the exercise of an option to purchase or hire are eligible only if the exercise of the option is at the sole discretion of the Recipient and the option has been exercised between February 20, 2024 and the Completion Date.
- 1.3 Costs of all goods and services (including labour) acquired from an entity which is, in the opinion of the Agency related to the Recipient, shall be valued at the cost which, in the opinion of the Agency, represents the fair market value of such goods or services, which cost shall not include any mark up for profit or return on investment.
- 1.4 No cost described in section 2.0 shall be eligible for inclusion in Eligible Costs unless the Recipient causes the supplying entity to maintain proper books, accounts and records of the costs related to the Project, and to provide to any representative of the Agency access to such books, accounts and records.

2.0 Eligible Costs

Where consistent with the approved Eligible and Supported costs, as defined in Annex 1 - The Project - Statement of Work, the following criteria will be used in determining eligibility of costs:

2.1 Travel Costs - Prime Transportation

Eligible travel costs are those which are deemed necessary to the performance of the Project. To be eligible, travel costs must be clearly documented as to the purpose of each trip. Travel expenses, at economy rates, shall be charged as at actual costs, but only to the extent that they are considered reasonable by the Department.

Necessary return airfare, train fare or bus fare at economy rates for participation personnel. Where a personal automobile is to be used, kilometre (mileage) allowance will be based on current Treasury Board of Canada Travel Directives. Eligible Costs shall be limited to the cost that would have been incurred and paid had normal public transportation at economy rates been used.

Actual costs at the destination will be allowed for food, accommodation and surface transportation (i.e., taxis, etc.). Meal rates will be based on current Treasury Board of Canada Travel Directives. Please note receipts are required for all items except meals. Entertainment (hospitality) costs are not eligible.

2.2 Audit of Project Costs

If expressly approved in writing by the Agency, Eligible Costs may include the cost of professional accountants certifying the accuracy of any costs claimed.

2.3 Contractor/Consultants

Save as herein provided, the direct costs of studies and/or services carried out by a private contractor, consultant or Canadian University or Research Institute are eligible.

Where a contractor or consultant is to be used, prior consultation with the Agency is advised to ensure that the costs for these services are eligible. The Agency may not contribute to the cost of goods or services that are not, in the opinion of the Agency, provided by an entity who is at arm's length from the Recipient

The contractor, consultant, University or Institute shall not acquire any rights to the product or process developed as a result of services provided.

2.4 Calculation of Direct Labour Costs

The Recipient may claim only that time worked directly on the Project by its employees and may not claim for indirect time, non-project related time, holidays, vacation, paid sickness, etc. Paid overtime, where considered reasonable in the opinion of the Agency, may be claimed. Time in lieu of payment is eligible if taken and paid within the project period. Time claimed will normally be expressed in hours.

The payroll rate is the actual gross pay rate for each employee (normal periodic remuneration before deductions). The payroll rate excludes all premiums (e.g., overtime), shift differentials and any reimbursement or benefit conferred in lieu of salaries or wages except as noted in the last paragraph.

Employment benefits (CPP, EI, holidays, and vacations, etc.) not exceeding 20% of direct labour costs may be claimed (supporting documentation not required).

2.5 Harmonized Sales Tax (HST)

Eligible Costs include the amount of Harmonized Sales Tax (HST), net of any refund or eligible credits due from the Canada Revenue Agency.

In order to have the HST approved as an eligible cost on future claims, the Recipient may be required to provide documentation verifying the organization's status under HST legislation.

3.0 Ineligible Costs

For greater certainty, any costs not specifically described as Eligible Costs in accordance with section 2.0, shall be ineligible for inclusion in the Eligible Costs.
