Sigurdson
Director

Debbie Valley
Director

CITY OF ELLIOT LAKE North Shore Municipal
Modernization Partnership (MMP) Project
Service Sharing Opportunities – Final
Report March 1, 2022.

The City of Elliot Lake, along with the Town of Blind River, The Town of Spanish, The Municipality of Huron Shores and the Township of Sables Spanish Rivers undertook a review of multiple sectors of community operations. These operations included information technology, by-law, landfills and building services. This in depth review allowed the municipalities to find efficiencies in these operations and to also uncover service sharing opportunities in order to save costs.

A photograph of several cardboard boxes arranged to spell out the phrase "We're Moving". The word "We're" is on the top row, and "Moving" is on the bottom row. The boxes are brown and have large, black, sans-serif letters cut out of them. The scene is set in a room with a light blue wall and a white window with a view of greenery outside. A small roll of white tape is on the floor next to the "g" box.

**We're
Moving**

Come see us in our new location!

Thank
you!
